

# Line Assistant

**Job type:** Permanent

**Location:** Uxbridge

**Job Role:** Line Assistant

**Salary:** £18,000 to £24,000 depending on experience

## Job Description:

The Line assistant role is described as follows:

- Working with and supporting the Engineering team on a daily basis.
- Ensuring the aircraft are kept clean, fueled where necessary, and out ready for their flight requirements.
- Heading up the duty and line requirements- towing aircraft in and out of the hangar as required in readiness for their flight requirements.
- Assisting the engineering team when needed.
- Ensure the aircraft are received and returned in the requested manner.

## Responsibilities:

- Ensure aircraft are out of the hangar ready for scheduled departures, refuelled and with the correct fuel and seating configuration.
- Being responsible for keeping the aircraft clean as per their cleaning schedules/requirements.
- Ensure all refuelling requests are carried out with time to spare before the aircraft are due to depart.
- Assist the Engineering Team with engineering requirements when needed- de-paneling aircraft, cleaning parts and components.
- Ensuring the ground handling equipment is serviced, operational and safe to use.
- Ensuring the Forklift and Tug are fully operational serviced and charged.
- Keeping on top of the general husbandry around the hangar, working with the engineers.
- Ensure workshops are kept in a clean manor.
- Taking a lead on the disposal of waste ensuring fuel deliveries and waste fuel are taken care of.
- Assisting around the hangar and business where necessary, ensuring bins are emptied and the hangar is tidy.
- Keeping all walkways safe for use, ensuring safety signs are displayed correctly when any cleaning or maintenance work is being undertaken.
- Work alongside the engineers working on live aircraft, when other duties have been fulfilled.

### **Qualifications & Requirements:**

- Looking for an aviation enthusiast, who is at home working on a busy airfield, within a dynamic helicopter maintenance facility.
- Someone with a keen eye for detail when it comes to valeting and keeping customers aircraft in a show room condition.
- Proactive, a real team player with a flexible approach and the confidence to work on their own when required.

### **Benefits**

- Company Pension
- Life Assurance
- Attractive working week – 8am to 4.30 (Monday to Friday)
